Dear Mr. Scali:

We are pleased that you have accepted our invitation to address the Advanced Intelligence Seminar on the subject "The Agency and the Media." Your session is scheduled for Wednesday, 21 May from 8:30-10:00 a.m. Please plan to speak for 30 to 50 minutes, take a break, and then lead a discussion of the issues with the students.

As you know, the Advanced Intelligence Seminar is designed for intelligence officers (Grade GS-14 and above) who will be in positions to influence Agency response to domestic and foreign trends over the next five years. The course goal is to expose these officers to alternative viewpoints and perspectives on the issues that are likely to affect how the Agency does its business.

The Seminar will be held at the Arlington Center Building, 4600 North Fairfax Drive, Arlington, Virginia. Enclosed is a map of the area. Parking spaces D14 and D24 on the deck in front of the building have been reserved for our guest lecturers. If you prefer, you can take Metro's orange line to the Ballston station which is four blocks from our building. On your arrival go to the second floor reception area and someone from the staff will bring you to the seminar room.
